

1990 COUNTY BLOCK MAP (RECREATED): FLOYD County

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.
1 A place name ending in 'MCD' indicates that the place is also a false MCD;
2 In 1990, the crews-of-vessel population of ships at sea was allocated to census tracts. These maps show very small areas symbolized as a census tract with the census tract number shown near the area.
3 A '*' following a block number indicates that the block number is repeated elsewhere in the block.
